Dear Dr. Trümper,

We thank you for your letter of March 30 about Magdeburg and its interesting environment and economic potential. We were pleased to read that the article about the Lexus GS450h luxury sedan hybrid caught your interest. Within Toyota we are always looking to improve and to manufacture quality cars.

We have taken the liberty of forwarding this letter to Mr. Takamasa Kurinami, Senior Vice-President of Toyota Motor Europe, who will look further into your proposal. He will contact you in the near future.

We thank you for the interest you show in our company.

Yours sincerely,
